Important Information

WSDOT technical manuals are updated continuously and revisions are issued periodically. It is the responsibility of the user of these materials regardless of their format or means of transmission, to determine that they are current. For updated information, contact WSDOT Engineering Publications at its homepage address: <http://www.wsdot.wa.gov/fasc/EngineeringPublications>, e-mail engrpubs@wsdot.wa.gov, or call (360) 705-7430.

The most current revisions of the manuals on this CD can be found at
<http://www.wsdot.wa.gov/fasc/EngineeringPublications/library.htm>

Electronic Forms updates can be found at
<http://www.wsdot.wa.gov/forms/updates.htm>

If you wish to be notified of revisions to Engineering Publications manuals as they are released, please send an e-mail to engrpubs@wsdot.wa.gov with "Requesting Revision Notification" on the subject line.

Not all WSDOT publications are currently available on this CD-ROM. To see a comprehensive listing of all manuals, please visit our Manual Site Search at:
